BAY ST. LOUIS, MISS., FRIDAY, JUNE 6, 1947

Observations... From Around Town

(BY JAY WHOZIT)

The Little Theater is in the entertainment news this week, presenting "Dear Ruth," Thursday, Friday, and Saturday nights, June 5, 6, 7; they have also selected their next play, "Outward Bound," which will be presented in late July. Senator Theo G. Bilbo, of Mississippi, will undergo a third operation at a New Orleans hospital. Some time this week, according to reports, both Bay St. Louis and Waveland Catholic churches have announced "Church Fair" dates, as follows: Our Lady of the Gulf, Bay St. Louis, June 20-21 and another some time in August; St. Clare's Church, Waveland, July 4, 5, 6. The United States bureau of public roads in Washington, announced this week that Mississippi will have available \$16,501,401 of federal aid matching funds for highway construction, at the beginning of the 1948 fiscal year, on July 1st. We certainly could use some of that here in Hancock County. Governor Fielding Wright will open his campaign for a full four year term next week, in his home town, Rolling Fork, Miss. If you like that kind of entertainment, you can attend the free barbecue and political rally, scheduled for June 21st, at Caesar. According to latest reports, more than seventy-five candidates have qualified to have their names on the Hancock County ballot, in the August 5th Primary election. At least there will be quite a variety from which to choose. The work of painting the interior of Our Lady of the Gulf Church is progressing rapidly, and from what we've seen so far, when finished it will be a work of art. Mrs. C. C. McDonald is in Chicago this week, attending the convention of the National Congress of Parents and Teachers, in which organization, she is quite active. Charles Traub III, a graduate of last January from a New Orleans High School, has been assigned by the office of New Officer Personnel, to attend the University of Oregon, at Corvallis, Oregon, as a midshipman in the United States Naval Reserve; he is a grandson of former Mayor Charles Traub, Sr. A live Chamber of Commerce reflects a live town, what has happened to our business leaders? From latest reports the membership of the Chamber of Commerce for the ensuing year is just 55% of the 1945-46 membership, despite the frantic efforts of the few remaining loyal supporters, we certainly cannot expect great results from a Chamber of Commerce which we do not support, so let's all get together and send in a check today for this year's dues. Speaking of supporting our local institutions, let's not overlook our Kings Daughters and Sons Hospital, which has done and is still doing such wonderful work for the health and welfare of our Hancock County people, as well as many emergency cases, such as highway accident victims being cared for at all hours of the day or night. Hats off to the hospital board and the nurses staff and any others connected with its operation, they deserve our help and cooperation. Music lovers of Bay St. Louis will do well to attend the public recital, at St. Joseph Academy auditorium, June 9th, in which Mrs. Louis B. Pate will present her pupil, John Dupaqueur, in his last public appearance before entering University in the fall to continue his studies.

Armstrong and family, Mr. Arthur Lang, Mr. and Mrs. Jimmy Favre and daughter, Mrs. Hattie Lang. From Keeler Field were Mr. Billy McElroy and John Mars from New Orleans were Mrs. Heffernon and Mrs. Eaves. Those from Gainesville were Mr. Frank Davis, Jr., Mrs. Lena Taylor and family, Mr. and Mrs. Jay Warren, Mrs. Willie Davis and family, Mrs. Nellus Davis and family, Mr. and Mrs. Albert Mars and family, Mrs. Lumbia Penton, Mr. and Mrs. Wilson, Miller and family, Mrs. Polly Whitney, Mrs. Ethel Rody and Gayle Rester, Theodor and Margaret Woods, Mrs. Len Dawsey and family.

Mrs. Ernest Strong and two children, Maxine and Richard of Hattiesburg are visiting here at the home of Mr. and Mrs. Robert Johnson. They will be joined here later by Mr. Strong and their son Ernest, Jr., who is waterfront instructor at Camp Towardel near Wiggins.

KNIGHTS OF COLUMBUS ELECT OFFICERS

Pere LeDuc Council 1522 elected new officers to serve during the fiscal year, beginning July 1, 1947, at their regular meeting Monday evening, June 2, 1947. The new officers to be installed at the first meeting next month are as follows: Wilmer Thiéaux, Grand Knight; Peter J. Benvenuti, Deputy Grand Knight; Dr. Marion J. Wolfe, Chancellor; Randolph J. Bourgeois, Recording Secretary; Sam L. Favre, Jr., Advocate; Carl Arnold, Warden; Henry Ling, Inner Guard; A. J. Monti, Outer Guard; Robert L. Camors, Trustee for three year term. The Office of Chaplain, Lecturer and Financial Secretary are appointed and will be announced at a later date. This is practically an entire new slate of officers and the membership is looking forward to a complete program of activities next year as they have promised to continue the good work of the officers they are succeeding.

During the past year Grand Knight Robert L. Camors and all the officers under him deserve lots of credit as their Council enjoyed a most successful year in every type of activity and have set a precedent which it is believed the new officers will follow.

Following the meeting sandwiches and cold drinks were served. The meeting was well attended, having sixty four members present.

A. C. (Mitch) MITCHELL CANDIDATE FOR CLERK OF COURTS

A. C. (Mitch) MITCHELL

The Sea Coast Echo is authorized to make the following announcement:

To The Voters of Hancock County: I take this means of announcing my candidacy for the office of Chancery and Circuit Clerk of Hancock County.

Since I was a candidate for this important office in the last election, I feel that I am not a new-comer in the race. Therefore, it is generally known throughout the county that I am a candidate in this year's primary.

Since I first aspired to the office of Chancery and Circuit Clerk it has been my aim to remain a policy with me to be free of any political organization. I AM STRICTLY ON MY OWN AND BACKED BY NO POLITICAL GROUP.

I have never been connected with or held a position sponsored or paid by Hancock County. My only promise to the people of Hancock County is to serve you in an honest and efficient manner; you are above all entitled to that.

As most of you know, I have been for a number of years and am at the present connected with one of the largest business houses in Hancock County. The experience I have had, and the knowledge I have gained in the business world will prove of untold value in the administration of the duties of Chancery and Circuit Clerk. After all the operation of the county is a large business and it should be carried on in a businesslike way—with each and every citizen a stockholder in his own right.

With sincere appreciation of the moral support that I have received since the start of my campaign, I respectfully submit my announcement as a candidate for the office of Chancery and Circuit Clerk of Hancock County.

A. C. (Mitch) MITCHELL

John will leave in the Fall for college so this will be the last opportunity for his local friends to enjoy one of his concerts. It is a different program and should be heard by all music lovers.

LEMUEL E. MILLER IS CANDIDATE FOR SUPERVISOR, BEAT 1

The Sea Coast Echo is authorized to announce that Lemuel E. Miller is a candidate for the office of Supervisor for Beat No. 1, Hancock County. His statement follows: To The Voters of Beat No. 1, Hancock County:

I hereby announce as a candidate for the office of Member of the Board of Supervisors of this Beat.

I was born in Hancock County, and have been a resident of the same all my life. During the time of the Civilian Conservation work I was foreman of road construction and maintenance for five years, and was project superintendent for three years. My experience in that work ably fits me for the duties of attending to the roads in my beat, and I expect to give this my close attention if elected. I have also had a lot to do in land matters during the past, and I feel that I am qualified to attend to the duties of equalizing the assessments and other work of a Member of the Board of Supervisors.

Your vote and support will be appreciated.

Sincerely,
LEMUEL E. MILLER

Taylor School Notes

We have just closed a very successful term at Taylor School. Our enrollment was 16 boys and 14 girls making a total of 30 pupils. They were real live wires and very enthusiastic in every sense of the word. Our activities were a Halloween Party and an "Easter Egg Hunt" with lots of good things to eat.

Our Christmas party and program with a Christmas Tree was sponsored by our generous "Fairy God," father Mr. George Pitcher, and while we have not said very much about this sponsorship we are very grateful and the whole community is appreciative of Mr. Pitcher's generosity.

Our program and part of the closing day was well attended and as every pupil had some part in the program the parents were justly proud of their children.

The parents furnished the refreshments of lemonade, cake and candy in abundance and for this assistance both pupils and teachers say "Thank You."

There was one award for perfect attendance given to Annie Ruth Mitchell.

We have a program outlined for the ensuing year and we hope it will be indeed a "Red Letter Year" in Taylor School History.

ED. P. ORTTE ANNOUNCES FOR SUPERVISOR, BEAT 5

ED. P. ORTTE

To The Voters of Beat 5, Hancock County, Miss.

This is my authorization for the Sea Coast Echo to print my formal announcement as a candidate for Member of Board of Supervisor, Beat 5.

In offering my continued services to you, the citizens of Beat 5, I do so with the sincere knowledge that during the past eight years, I have diligently served you and have been successful to a great extent in accomplishing most of the matters you have required of me.

I have at all times placed the duties of my office above my own personal business. I have even gone beyond the requirements of my duties as a Supervisor in rendering services that were beneficial to the entire County. My trips to Washington and Baton Rouge in behalf of the Sea Food Industry were financed by me. I have also used my personal funds at other times in behalf of the County's interest.

The going at times has been a "little rough" and often very discouraging, but for such a good cause, I have no regrets. My friends accuse me of being a "glutton for punishment," but frankly, I have no strings tied to me nor obligations to any individual in particular and I do like a good fight, especially when the fight is for the right, when sponsored by the Citizens of Hancock County to whom I have pledged my services.

I will not attempt to enumerate any of the accomplishments achieved during my administration at this time. My friends and all the fair minded Citizens of the County are well aware of all that has happened and I do trust credit will be given where it belongs.

There is a great deal yet to be realized and only a conscientious, sincere, able, unselfish person will be successful. I feel that the past has proven that I have the above requirements. I defy and welcome any one to prove that I have received any graft whatsoever. The only "personal gains" that I have been honored with, is the distinct knowledge and satisfaction that I can lay my head on my pillow at night and say, "I have been fair to my fellow man and I have served my people well."

I am a World War I Veteran, having served overseas and a Veteran of Foreign Wars, American Legion and 40 & 8. During World War II I served voluntarily without pay in the U. S. Coast Guard Auxiliary, checking and inspecting all boats against Government violations along the Gulf Coast. My own boat was also used in the service. I have always been very active in Legion and Veteran affairs.

So with my whole hearted appreciation for electing me twice to the office of the Board of Supervisors of Beat 5 and my sincere promise to continue serving you in the future as in the past, if elected I urgently request that again you give me your entire support and vote for my re-election on August 5th and let me continue serving you for another term. I assure you, this action you will never regret.

Respectfully yours,
E. P. ORTTE

LAUNDERALL PROVES POPULAR WITH GEO. STEVENSON'S CUSTOMERS

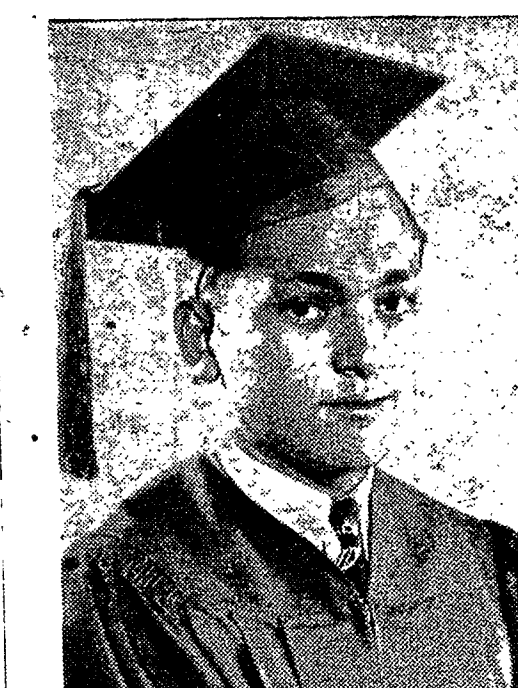

A full page ad in this issue of The Sea Coast Echo emphasizes the enthusiasm with which customers and friends of Stevenson's Radio and Electric Service have accepted Launderall. Although the manufacturers (F. J. Jacobs Co.) of Launderall spent more than eight years in research and testing the new automatic washer it has actually been on the market less than a year, according to George Stevenson, but in that time it has been acclaimed by users especially in this section of the nation. "The manufacturers of Launderall are especially interested in our section," continued Mr. Stevenson, "because they realize the large potential market for their product. Before the war there were comparatively few washers in use here, but now conditions which are different from those which existed then make it extremely desirable to have a home laundry. It is not only highly desirable, but almost imperative, that household labor be conserved, and an automatic Launderall is the answer to the 'wash question'."

As far as delivery is concerned, Mr. Stevenson says that his supplier has advised him that for the present he may expect "reasonable deliveries" but has warned him that such a favorable condition may not continue, so he is urging his friends and customers to buy now and begin to enjoy all of the advantages of Launderall.

While every boy that attended could not take an active part as an officer, Bay St. Louis was honored by having one of the members, Bobby Boh, elected to the Boys State Senate. We had hoped that one of the boys would have been named Governor, we were not that lucky as other cities outnumbered us in the boys sponsored.

Grade School Winning Essay in Law Enforcement Contest

Mary Lou Sciana was the county wide winner from grade schools in the recent essay contest, launched by the Hancock County Law Enforcement League and this is her essay.

"Enforcement of Gambling and Liquor Laws is Good for Hancock County Because:"

As the younger generation grows up in the world and the bad habits in gambling and drinking are formed they will become bad citizens. Drinking may lead to separation of families. If there are children the money is spent foolishly and they must do without food, clothing, and other necessities of life. The children would not be able to get the education and religious training they are entitled to.

Many crimes are committed by individuals who are under the influence of liquor, drugs or some other stimulant. It is a shame to our American that some people become criminals by such things that can be prevented. Under such influence, crimes are often committed without the wrong doer knowing or caring what he does. These things weaken the power to resist temptation and thus tear down character.

We are free to engage in any recreation and amusements. If our entertainment is in gambling halls, vulgar dancing pavilions and in centers where criminals and low people gather, clearly we are in a fair way to enter the law breaking group. Such places of amusement are usually under the direction of men and women whose only purpose is to make money.

Let us try to see the world as it would be if such places as these that I have mentioned were abolished. I can assure you that the picture would be an entirely different one. We would see a community of law abiding citizens who would make our country a safer and more enjoyable place in which to live.

P. M. A. NEWS

Mr. John S. Flora, County Administrative Officer, Hancock County PMA releases the following announcement as sent to him from the State P. M. A. Office by Mr. T. M. Patterson, State Director P. M. A.

As you have no doubt learned from the newspapers, the House Appropriations Committee has recommended to the House of Representatives at Washington that drastic deductions be made in funds for agricultural programs in the next fiscal year. We have today received from Washington a telegram giving some of the details. For example, funds for the 1947 Agricultural Conservation Program are to be cut from \$301,720,000 to \$165,614,290; the School Lunch Program, from \$75,000,000; Crop Insurance (administrative funds) from \$9,000,000 to \$1,000,000.

This same Committee recommended a reduction in county office administrative funds from \$25,129,152 to \$14,608,620. You can readily see that if the Congress adopts the Committee's recommendations, drastic adjustments will have to be made in all our programs.

In compliance with instructions from Washington we have today sent a telegram to all county administrative officers telling them to do these things: (1) to stop issuing approvals of assistance to farmers; (2) to stop issuing purchase orders; (3) to cancel immediately all unfiled purchase orders now in the hands of farmers or vendors. The status of our state funds under the 1947 Conservation Program at this time is about as follows: Allotment of funds to the state, \$6,462,000; estimated obligations up to date, \$4,100,000 (This includes all mater-

ials and services furnished on purchase order plus practices already reported and carried out by farmers with their own funds.)

The committee recommended that the 1948 program be eliminated completely.

Farmers are urged to make their reports on the Basic Slag and superphosphate that they received under the purchase order program as soon as possible after this material is applied. At present the AAA program is suspended pending the outcome of the U. S. D. A. appropriation bill now in the House appropriations committee. We are expecting a reduced Administrative budget after July 1st. For that reason it is important that these reports be made as soon as possible. Reports on slag and phosphate can be made by filling out, signing and returning the white prior approval form received some time ago or by coming by the AAA office.

From where I sit... by Joe Marsh

Industry Looks at Our Town

Maybe you read how a group of industrial experts have decided that the small town is the place for industry—not big cities. Reasons they give are better housing, pleasanter living, and more opportunity for wholesome recreation.

Well, looking around our town I'd say that was about right. Most of us own our homes, and keep them looking nice; we enjoy each other's company; and our recreations are mostly simple outdoor sports, and in the evening a mellow glass of beer with pleasant company.

As Doc Walters says, that sort of life just naturally sets you up for work the next day... whether it's in office, mill, or field. And Doc would know. He works fourteen hours, but never misses his morning "constitutional" or his evening glass of beer with friends.

From where I sit, any industry could profit from being in a town where wholesome living, temperance and friendship are the rule.

How United Gas Helps Conserve Mississippi's Resources

CONSERVATION

RAW NATURAL GAS must nearly always be processed in one or more ways before it is suitable for use. In the Gwinville gas field, of Jefferson Davis County, for example, the raw gas contains so much moisture that it needs dehydration before it can be moved to market in high-pressure pipe lines.

United Gas, providing a market outlet for a number of producing wells in the Gwinville field, has built many miles of gathering lines, complete with well hookups,

well meters, scrubbers and check meter stations. And now it is building a dehydration plant to help Mississippi producers market their gas... and to make more gas available to additional Mississippi homes and industries.

This is only one of several ways in which United Gas is making a marketable commodity of gas that might otherwise remain worthless in the ground—giving value to Mississippi's gas resources—by making them available for use.

ORTTE THEATER SUNDAY - MONDAY "TRAIL STREET"

Starring Randolph Scott,
Robert Ryan, Anne Jeffreys,
George "Gabby" Hayes

The graphic story of how U. S. Marshal "Bat" Masterson brought law and order to Kansas in 1880 is revealed in "Trail Street," RKO Radio's thrilling saga of the early West. Randolph Scott, Robert Ryan, Anne Jeffreys and George "Gabby" Hayes are starred in the turbulent drama of the bitter feud between cowmen and farmers. The trail drivers of those days, moving their cattle to the railroad, drove the herds over farmlands, destroying the new crops and creating a reign of terror.

The cowmen have murdered the sheriff of the small town of Liberal, and the desperate farmers, ruin starting them in the face, send for the redoubtable "Bat" to help them. "Bat" fearlessly goes about his job, but it is not until after bitter fighting, ending in a large-scale battle for possession of the town, that the farmers succeed in establishing law and order.

Scott has the best role of his career as Masterson. Ryan is a land agent who believes in the future of Kansas as a grain-producing state. Miss Jeffreys is a cabaret singer who dies heroically in the final battle and "Gabby" Hayes is an old livery stable keeper who becomes a reluctant deputy-marshal when sworn in by "Bat." Heading the

supporting cast are Madge Meredith, Steve Brodie, Virginia Sale, Harry Woods, Phil Warren, Harry Harvey and Jason Robards.

Free Barbecue and Political Rally

State, district and county candidates will be on hand for the free barbecue and political rally which has been set for June 21, 1947 at Caesar, announces Geo. Bilbo, chairman, with Gov. Fielding Wright as the principal speaker for the event. A complete program of the day's activities will be published at a later date. Rations for the barbecue have been listed at 15 head of beef, 35 head of sheep, 250 pounds of salad, 1 barrel of pickles, and 2,000 loaves of bread, which should provide amply for the thousands who are expected to attend. Band concerts will provide music, starting at noon and continuing throughout the evening. The public is cordially invited to attend.

GROUND BROKEN FOR ERECTION OF NEW CHURCH

Ground was broken here on last Wednesday afternoon on the lot of the First Baptist Church in preparation for the erection of the new church.

The impressive service was held at 4 p. m. under the age old majestic oaks on the lot before a representative group of citizens and clergy.

Rev. John T. Dearing, Jr., pastor of the church, gave the opening prayer and read appropriate passages of Scripture. He spoke briefly of what an occasion it was to know that the new church for which the members had worked was a reality. Rev. W. S. Allen, former pas-

tor of the church now pastor of the Pass Christian Baptist Church, made a short talk on the realization of the dream which had been his during his pastorate here and thanked God because it was no longer a dream, but a tangible fact that the new church would soon stand as a testimonial to the people of what had been done. He gave the closing prayer.

Dr. Thomas B. Sellers, chairman of the building committee and Miss May H. Edwards, one of the oldest members of the church, turned the first shovel of dirt.

Visiting ministers besides Mr. Allen were Rev. O. B. Anderson, Association Missionary for the Coast Counties and Rev. Mr. Poole a returned missionary from Nigeria, now living in Pass Christian.

The only occasion for regret was

the absence of W. W. Stockstill, former church clerk, Sunday School superintendent and teacher of the Bible Class, and Dr. A. P. Smith, chairman, Board of Deacons and church treasurer, both of whom were kept away because of their illness.

Need a LAXATIVE?

HOW TO SELL Your Citizenship, Your Character, Your Name

Not many people would want to sell these above cherished possessions. The easiest way to sell your citizenship, your character, your name is to sell or give or barter your vote in any election, however small.

How is it that a man sells his character, citizenship, and his name when he sells or trades his vote? First of all, he sells his citizenship, in the United States, because in selling his vote he sells himself as a citizen and instead of remaining a citizen, he becomes a slave and pawn of an individual or party. Then he sells his character in that even the man who praises one whom he seeks to destroy by purchasing or trading for his vote, despises and has no use for him who is willing to throw over his individuality. No man could feel secure in dealing with a person who sells so precious a possession so readily. On top of this a person sells his name in selling his vote. A person who is honest and of a high character is said to be able to go his own bond—his name—his word, is as good as his bond. Only an unthinking person would cast aside his name's worth by letting another handle his vote. It is like signing a blank check and handing it to an unscrupulous thief and trusting him to fill it in for a small amount. In short it is unthinkable.

My vote and your vote! What is It? It is our only part in our Democracy. When it is not ours and not controlled completely by us, then we are no longer a part of a democracy and cannot say that we have a democracy. In democracy the government is run by the individual people. In other forms of government one man or a small group of men run the government. To sell your vote is to sell just that much of your nation into an undemocratic form of government.

Our vote is our birthright, our heritage, from our forefathers who were home and peace loving men. They were willing to fight and die singly or collectively, against seemingly hopeless odds that we might be free and defend our homes and families with no more effort than casting our votes wisely. Then, in appreciation of all our forefathers did, and to see that their spirit of freedom shall not perish, we must guard in every way against selling or giving up this thing that guarantees our freedom.

To continue the guarantee of our freedom to retain our citizenship, our character, our name, takes little effort on our part. We simply must refuse to trade, compromise, barter or sell our vote. We must make an honest effort and study all candidates for office and what they will do while in office. If they in any way seem to be willing to compromise or show favoritism or undemocratic principles, our vote must never go for them. The only way we can assure ourselves of this is to keep our vote for ourselves. We MUST use our vote as the weapon it was intended to be used for to battle and block any person or group of persons who seek to endanger our freedom. We are never free when we belong to someone else. Only through the wise personal use of our weapon of vote can we hope to keep ourselves and our country free. Let's be free men—not slaves.

ORTTE THEATER WED. - THURSDAY "LOVE LAUGHS AT ANDY HARDY"

With Mickey Rooney and Lewis Stone

Andy Hardy is back!—which will be good news to the millions of filmgoers who have come to depend on Mickey Rooney in his role of the Carefree Lothario whose adventures in love with his typically American family are one of the bright spots on the movie horizon.

In "Love Laughs at Andy Hardy," first post-war picture of the series, which is to be shown on the Ortte Theater screen, Andy returns from the Army a triumphant Pfc. and immediately explodes a bomb into the midst of his alarmed family with the news that he intends to marry his former campus sweetheart, Kay Wilson (Bonita Granville).

When the Judge, Ma Hardy and Aunt Milly attend a Wainright reunion to meet Andy's fiancée, they are shocked to find his dancing partner in a frenzied jitterbug to be six foot four inches tall. Reassured by Andy that this girl is merely a blind date whom he has taken to the prom when Kay was suddenly called home, they are plunged into a few days later with the tragic announcement that Kay has married someone else and that he is going to become a millionaire the hard way—by going to South America and becoming a famous engineer.

When all expostulations and entreaties upon the part of the family fail to move the adamant Andy, Isabel Gonzales (Lina Romay), a luscious Latin Charmer, steps into the breach and with the help of a snappy rumba, persuades Andy that the loss of one girl need not necessarily drive him to exile.

Rooney again brings the now exuberant, now down-in-the-depths Andy to life with a sparkling performance, and the remaining members of the family are again ideally represented by Lewis Stone as the Judge, Fay Holden as Ma Hardy and Sara Haden as Aunt Milly. Bonita Granville is a sympathetic Kay Wilson; Miss Romay scores as the sultry rumba queen, and a high comedy spot in the work of Dorothy Ford as the towering co-ed who almost throws Andy in their ill-matched jitterbug routine. Miss Ford has a head start on going places!

20th. Annual Commencement Exercises Held At St. Augustine Seminary

Nine graduates of St. Augustine Seminary, Bay St. Louis, Miss., were awarded diplomas at the Twentieth annual commencement exercises held here, Thursday evening in the Seminary auditorium, before the members of the faculty, parents, relatives and friends.

On Thursday morning a special Mass of thanksgiving was celebrated in honor of the Holy Ghost, for the successful completion of the school year.

The diplomas were presented to the graduates by the Very Rev. Joseph Busch, S. V. D., rector of the Seminary.

The Rev. George Strype, S. S. J., of St. Philomena's Church, Pass Christian, Miss., delivered the graduation address.

In September the graduating class will make their novitiate at St. Mary's, Techny, Illinois. After four years, including two years novitiate and two years of junior college, they will return to the Seminary to complete their studies for the priesthood.

The valedictorian was Cyprian Patin, and the salutatorian and historian were Paul Bruce and Paul Fontenot respectively.

The graduates are: Paul Bruce, Chicago, Ill.; Raymond Guidry, Abbeville, La.; Joseph Guidry, Abbeville, La.; Paul Fontenot, Crowley, La.; John C. Harry, New Orleans, La.; Jerome G. Le Doux, Lake Charles, La.; James M. Moultrie, Savannah, Ga.; Cyprian S. Patin, Baton Rouge, La.; and Laurence P. Williams, Los Angeles, Calif.

St. Augustine Seminary is the only seminary in the United States devoted exclusively to the education of the colored candidates for the priesthood. In the course of twenty-five years it had seven ordination classes and 19 priests were ordained.

—Commencement did not end with the graduation on Sunday for the St. Stanislaus seniors for they were honor guests at a spaghetti supper at the home of Dr. and Mrs. Joseph LaNasa in New Orleans. The LaNasas entertained in compliment to their son James Thomas LaNasa, who was one of the graduates.

—A number of Logtown citizens met at the cemetery there during the day last Saturday, for the purpose of giving the premises a thorough cleaning. The grass and weeds were cut as well as the entire grave yard raked and all the graves given over and cleaned. Much credit is due those who so unselfishly participated in this laudible undertaking.</
